****The after school program is a student commitment to attend each registered class. Students wanting to attend any enrichment class must also attend at least one Teacher Help class during the week. *** Please be sure you can attend on the days you register as some classes have limited enrollment.**

Parents: The instructional support/enrichment program is provided free and sponsored by the 21st Century grant. The program is offered from 3:30-6:00 pm on Monday, through Thursday. Participating students will stay at school after normal afternoon dismissal-going to the café for an FDA provided snack. At 4:00 they will report to their designated teacher help area, at 5 they report to enrichment class, at 5:50 they are dismissed.

Class Registration: Students must enroll in one teacher help time in order to attend any enrichment time.

Please list selected instructional classes and enrichment activities below (options shown on back)

Student's choices: Please list-	Teacher help class name 4-4:50pm	Enrichment choice class name 5-5:50pm
